If, in any case, the Executive Board is unable to agree upon the proper contributions by the Parties hereto, the decisions shall be referred to the State Emergency Management Council for arbitration, and the Council's decision shall be final and binding upon the Parties hereto. Except for Benton PUD, Franklin County and Pasco, each party shall pay its share of the cost of emergency management into the Benton County Emergency Management Fund which is maintained and administered by the Administrative Jurisdiction. The Executive Board shall have the authority to proportionately levy, by percentage of total budget responsibility, additional fees to cover unexpected liabilities, including uninsured civil judgments. If the cost overrun or liability is the result of a single agency, the entire cost will be borne by that agency.
- B. <u>Southeast Communications Center (SECOMM Operations) Fund</u>. SECOMM shall be financed by the proceeds of a telephone excise tax that shall be imposed at the same rate by both Benton and Franklin counties, an annual levy upon the Parties, except for Benton PUD and City of Benton City, and by contract fees paid by contracting agencies as determined by the Executive Board. Each Party hereto shall contribute its share of the costs of the typical and customary

operation and administration of SECOMM as established by the Executive Board. Such contributions shall be determined annually by the Executive Board for inclusion in the Parties' annual budgets. The assessment for any user or member entering SECOMM mid-budget year shall be determined by the Executive Board and pro-rated relative to the months of service remaining in the existing budget year. In the first annual budget developed after BCES begins providing Franklin County and Pasco with communication and dispatching for public safety and emergencies, the SECOMM budget funding model will substitute population data for calls for service data wherever calls for service data has been used to allocate agency assessments. Funding models for subsequent SECOMM budgets shall be determined by the Executive Board. Assessments shall be paid in periodic installments on a schedule determined by the Executive Board. In the event an unforeseen exigent circumstance or uninsured civil judgment results in costs to the Organization in excess of the budgeted expenses for operation and administration, the Executive Board is authorized to proportionately levy, by percentage of total budget responsibility, additional fees to cover the unexpected liability. Such excess costs shall be promptly remitted, upon demand, to Benton County Emergency Services. If the cost overrun is attributable to a single agency's action or inaction, the entire cost overrun shall be borne by that agency.

- C. <u>800MHz Fund</u>. The 800MHz Fund shall be used for the maintenance and operation of any 800MHz radio system, whether analog or digital, utilized by BCES. The Executive Board is authorized to levy annual radio assessments upon all Parties who use radios under the 800MHz system, and to impose contract fees upon any contracting agencies for use of the same. Assessments shall be determined annually by the Executive Board for inclusion in the Parties' annual budgets. Assessments shall be paid in periodic installments on a schedule determined by the Executive Board. In the event an unforeseen exigent circumstance or uninsured civil judgment results in costs to the Organization in excess of the budgeted expenses for operation and administration of the 800MHz system, the Executive Board is authorized to proportionately levy, by percentage of the Parties' total 800 MHz budget responsibility, additional fees to cover the unexpected liability. Such excess costs shall be promptly remitted, upon demand, to Benton County Emergency Services. If the cost overrun is attributable to a single agency's action or inaction, the entire cost overrun shall be borne by that agency.
- D. Benton County Microwave System Fund. The Benton County Microwave System Fund shall be used for the maintenance and operation of the Benton County Microwave System utilized by BCES. The Executive Board is authorized to levy annual assessments upon all Parties who use the Benton County Microwave System, and to impose contract fees upon any contracting agencies. Such assessments shall be determined annually by the Executive Board for inclusion in the Parties' annual budgets. Assessments shall be paid in periodic installments on a schedule determined by the Executive Board. In the event an unforeseen exigent circumstance or uninsured civil judgment results in costs to the Organization in excess of the budgeted expenses for maintenance and operation of the Benton County Microwave System, the Executive Board is authorized to proportionately levy, by percentage of the Parties' total Benton County Microwave System budget responsibility, additional fees to cover the unexpected liability.

Such excess costs shall be promptly remitted, upon demand, to Benton County Emergency Services. If the cost overrun is attributable to a single agency's action or inaction, the entire cost overrun shall be borne by that agency. Neither Franklin County nor any of the Parties to this Agreement located therein shall acquire or be deemed to have acquired any ownership interest whatsoever in any property or equipment that comprises the Benton County Microwave System.

- 1. Franklin County Microwave System. Although the Benton County Microwave System and the Franklin County Microwave System are technically interconnected and create a Bi-County Microwave System utilized by BCES, Benton County and those Parties to this Agreement who are located therein are the only Parties obligated to contribute to the Benton County Microwave System as provided under Section 4.D above. Franklin County shall be solely responsible for all costs associated with maintenance, operation and improvements to the Franklin County Microwave System. Neither Benton County nor any of those Parties to this Agreement located therein shall acquire any ownership interest whatsoever in any property or equipment that comprises the Franklin County Microwave System. Franklin County shall defend, indemnify and hold harmless Benton County and those Parties to this Agreement who are located therein for all claims related in any way to, Franklin County's maintenance or operation of the Franklin County Microwave System as it presently exists or is modified in the future. "Claim" means any loss, claim, suit, action, liability, damage or expense of any kind or nature whatsoever, including but not limited to attorneys' fees and costs, attributable to personal or bodily injury, sickness, disease or death, or injury to or destruction of property, including the loss of uses resulting therefrom.
- E. The BCES Director, upon approval by the Executive Board, is authorized to make expenditures on behalf of the Organization in accordance with the policies and procedures of the Administrative Jurisdiction.
- F. An annual budget for the Organization shall be prepared by the BCES Director in accordance with the policies and procedure of the Administrative Jurisdiction. The annual budget requires Executive Board approval.
- G. <u>Contribution to SECOMM Fund</u>. Within thirty (30) calendar days of the date of execution of this Agreement by all Parties, Franklin County and Pasco shall each make an irrevocable contribution of Five Hundred Thousand Dollars (\$500,000) to the SECOMM Fund. Failure to make the contributions as provided herein shall result in suspension of services to the non-compliant Party by BCES.
- H. <u>Radio System Upgrade (SUA)</u>. Beginning with the first annual BCES budget developed after BCES begins providing Franklin County and Pasco with communication and dispatching for public safety and emergencies, and continuing with each successive BCES budget thereafter, the allocation of costs to support the trunked radio system shall be equally divided between

Benton County, Franklin County, and the cities of Kennewick, Pasco and Richland. Contributions made by Franklin County and Pasco shall not create, nor be construed to create, any ownership interest in the trunked radio system.

5. PROPERTY AND EQUIPMENT

- A. Ownership Interests Maintained. Except as authorized by the Executive Board with respect to transfer by FEMA of ownership of assets acquired with CSEPP funds, the digital 800MHz radio system, and the Benton County Microwave System Fund, the ownership interests in property, equipment, or funds acquired by or through Benton County Emergency Management shall continue to be shared by Benton County and the cities of Kennewick, Richland, West Richland, Prosser, and Benton City in proportion to the financial and in-kind contribution of each party in the year such property, equipment, or monies was acquired, unless provided otherwise herein. Franklin County and Pasco shall take no ownership interest whatsoever in any property, equipment or monies belonging to BCES as of the effective date of this Agreement. Any ownership interest acquired thereafter by Franklin County and/or city of Pasco shall be only as provided herein.
- B. Benton PUD Property Interests. Buildings and towers owned by Benton PUD, and site or ground leasehold interests held by Benton PUD at the Prosser site, the Joe Butte Site, and the Umatilla Ridge site will remain in their ownership or leasehold interests. Benton PUD agrees that, in return for the rights granted under this Agreement, it will not exercise its right of first refusal to acquire any microwave system or parts thereof from the State, and agrees to allow the State to transfer such assets to the joint ownership of Benton County and the cities of Kennewick and Richland in the following percentages: fifty percent (50%) to Benton County; twenty-five percent (25%) to Kennewick; twenty-five percent (25%) to Richland. Benton PUD will not have a right to or ownership in any BCES assets, including the Benton County Microwave System, unless this Agreement is amended so as to grant Benton PUD ownership interests in particular assets.
- C. Specific Properties Owned Solely By Benton County, Richland and Kennewick. All Parties hereto acknowledge that the federal government may have ownership interests or rights with respect to equipment purchased with funds provided by the federal government. All Parties further acknowledge and agree that the digital 800MHz radio system, the real property and improvements located at 651 Truman Avenue in Richland, Washington, the leasehold interest and 800 MHz equipment used by Benton County Emergency Services and the Parties hereto at the several existing sites and the Benton County Microwave System used by Benton County Emergency Services shall be owned exclusively by Benton County, and the cities of Richland and Kennewick as follows: fifty percent (50%) ownership by Benton County; twenty-five percent (25%) ownership by Kennewick; twenty-five percent (25%) ownership by Richland. The contributions by Pasco and Franklin County required pursuant to section 4.G above do not create any ownership interests in the above assets by those entities.

- D. Ownership Interests SECOMM Fund. Property, equipment, or monies acquired through the Southeast Communications Center Fund on and after the day following the effective date of this Agreement shall be owned in equal shares by Benton County, Franklin County and the cities of Kennewick, Richland and Pasco, except to the extent acquired through revenue of E911 taxes as set forth below. Benton County, Franklin County and the cities of Kennewick, Pasco and Richland are the only Parties to this Agreement responsible for contributing toward capital expenditures in the budget process.
- E. Ownership Interests E911 Taxes. Property, equipment, or monies acquired through the receipt of E911 taxes prior to and after the effective date of this Agreement shall be the property of Benton and Franklin Counties based on the percentage of E911 tax funds contributed by each county toward said property, equipment or monies.

6. PUBLIC RECORDS REQUESTS

- A. To comply with BCES's obligation to respond to public records requests, and to minimize legal risk to the Parties, the Parties agree that all original records prepared, owned, used, or retained by BCES shall be provided to and maintained by the Administrative Jurisdiction.
- B. When a public records request is received by BCES under the Washington State Public Records Act, Chapter 42.56 RCW, staff assigned to support BCES will complete a search for responsive records and respond to the request pursuant to the Public Records policy established by the Administrative Jurisdiction. To the extent legal review is needed to respond to a request, the City Attorney for the Administrative Jurisdiction will provide the review. The Parties acknowledge that the Administrative Jurisdiction has ultimate authority to release or withhold records pursuant to the Washington State Public Records Act.

7. DURATION OF AGREEMENT; TERMINATION

This Agreement shall become effective only upon execution by all Parties and filing with each County Auditor in compliance with RCW 39.34.040. Upon the effective date, this Agreement shall replace all prior oral agreements, contracts, interlocals and amendments thereto, including those agreements that have been recorded with the Benton County Auditor, and shall specifically, but without limitation, supersede the Interlocal Agreement for Benton County Emergency Services recorded with the Benton County Auditor on October 1, 1996, the Interlocal Agreement for Benton County Emergency Services Interlocal Cooperation Agreement effective September 1, 2006, Amendment 1 thereto dated May 11, 2009, and the 2012 BCES Interlocal Agreement. The initial term of this Agreement shall be ten (10) years, after which this Agreement shall automatically extend for successive five (5) year terms unless one or more Parties objects to extending the Agreement no later than six (6) months prior to expiration. Objections to extension of this Agreement shall be submitted in writing to the Executive Board.

8. AMENDMENTS

Amendments to this Agreement shall only be made upon an affirmative vote of at least twelve (12) votes in favor of amendment, without any vote by Benton PUD, which shall not have a vote on amendments. This section shall not affect how the Board operates and conducts its business.

9. WITHDRAWALS

Any Party may withdraw from this Agreement upon providing six (6) month's advanced written notice to the Executive Board. A withdrawing Party shall remain liable for obligated payments, and shall be refunded any payments made but not obligated prior to the date of actual withdrawal. Any Party so withdrawing shall be responsible for complying with Washington State law regarding its obligations to provide emergency management and dispatch services. Upon the act of withdrawing from this Agreement, the withdrawing Party shall be deemed to have forfeited and released all ownership interest it may have in any property, equipment or monies it may have or otherwise been eligible to receive under this Agreement.

10. ALLOCATION OF LIABILITY; INDEMNIFICATION

- A. Each party shall be solely responsible for its own wrongful or negligent conduct. Each party promises to indemnify and hold harmless and release all other Parties from any loss, claim or liability arising from or out of the negligent tortious actions or inactions of its employees, officers and officials. Such liability shall be apportioned among the Parties or other at-fault persons or entities in accordance with the laws of the State of Washington. Nothing herein shall be interpreted to:
 - 1. Waive any defense arising out of RCW Title 51.
 - 2. Limit the ability of a Party to exercise any right, defense, or remedy which a Party may have with respect to third parties or the employee(s) whose action or inaction gave rise to loss, claim or liability, including, but not limited to, an assertion that the employee(s) acted beyond the scope of employment.
 - 3. Cover or require indemnification or payment of any judgment against any individual or agency for intentionally wrongful conduct outside the scope of employment of any individual, or for judgment for punitive damages against any individual or agency. Payment of punitive damage awards, fines or sanctions shall be the sole responsibility of the individual against whom said judgment is rendered and/or his or her agency employer, should that employer voluntarily elect to make said payment. This Agreement does not require indemnification of any punitive damage awards or for any order imposing fines or sanctions.

11. SEVERABILITY

If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, to the extent possible and practicable, the remaining parts of the Agreement shall remain in effect and be binding upon all Parties hereto.

12. NO SEPARATE LEGAL ENTITY

No separate legal entity is created upon execution of this Interlocal Agreement.

13. GOVERNING LAW; VENUE

Jurisdiction and venue for any action relating to the interpretation, enforcement, or any dispute arising from this Agreement shall be in Benton County Superior Court. This Agreement shall be construed in accordance with the laws of the State of Washington.

14. WAIVER

No waiver by any Party hereto of any terms or conditions of this Agreement shall be deemed or construed to be a waiver of any other term or condition, nor shall the waiver of any breach be deemed or construed to constitute a waiver of any subsequent breach, whether of the same or any other term or condition of this Agreement.

15. NO THIRD PARTY RIGHTS

Nothing in this Agreement shall create or be deemed to create any rights in any person or entity not a party to this Agreement.

Assessments/Cost Calculations

Emergency Management Fund

Basic Charge + Additional Charges = Each Participating Agencies Annual Assessment

Basic Charge is equal shares of fixed costs *and* Additional Charges = calculated support % * Total costs less fixed costs

Calculated Support % = P% + A% / 2

P% is the percentage of total population (estimates for cities and the county from the Office of Financial Management) **and** A% is the percentage of property assessments (from the Benton County Assessor's Office tax information for the current year)

800 MHz Fund

In general, the costs for the 800 system are divided by the # of radios on the system. This includes site costs directly related to the digital 800 MHz system, but not costs related to VHF.

*The exception is the annual maintenance contract for 800 MHz, which is split first on a 30/70 split (30% SECOMM users and 70% 800 MHz radio users). Then the SECOMM user portion is split based on the number of channels, with VHF users utilizing three channels and 800 MHz users utilizing eight channels. This split is then distributed to the Agencies using the # of calls (3-year average).

The SUA II for the 800 MHz system is divided by the five participating Agencies equally. Benton County, Franklin County and the Cities of Kennewick, Richland, and Pasco.

Microwave Fund

Costs for Microwave are applied in part by assessing a basic charge (1/3 of cost shared equally between 800 users, VHF users and the Benton PUD), and then by calculating the remaining share based on the number of circuits used.

SECOMM Fund

Participating Agencies: Cities of Kennewick, Richland and Pasco and Counties of Benton and Franklin

Total Assessment = Capital + fixed + direct + variable costs + SECOMM 800 MHz share*

Contract Agencies: West Richland, Prosser, and Connell Law

Total Assessment = Population x calculated cost per capita + direct + SECOMM 800 MHz share*

Contract Agencies: Fire Districts

Total Assessment = 3-year average of calls for service x calculated cost per calls + direct + SECOMM 800 MHz share*

<u>Direct costs</u> are directly related to one Agency or type of service. Any costs incurred by a single Agency will be passed thru solely to that Agency. Fire also pays a cost per call charge based on previous years call volume (using 3-year average).

- Fire systems direct costs include Fire Printing & I/CAD Link, Locution Maintenance, Netmotion, Microwave Link and repeater sites if applicable. These costs are applied to each Fire Agency in part by assessing a basic charge (50% of costs shared equally) and then by calculating each Agency's remaining share (based on call volume).
- Law Agencies direct costs include shared costs of ACCESS, BIPIN, the IGN Facing Firewall, OFML Maintenance and Netmotion. Costs are mostly based on equal shares, but again, any costs incurred by a single Agency are passed thru solely to that Agency.

<u>Costs per call</u> are charged to the BC and FC Fire Districts, Connell Fire, Walla Walla Fire District #5, Airport PD, Franklin Co PHD #1 and CBDR.

<u>Fixed costs</u> are shared equally by Benton and Franklin Counties, Cities of Richland, Kennewick, and Pasco, and are based on the operations cost of one console and increased by the CPI annually.

<u>Variable costs</u> consist of all costs remaining after fixed, capital and direct costs are taken out, and revenues (other than assessments) are subtracted. Benton and Franklin Counties and the Cities of Richland, Kennewick and Pasco share the variable costs based on a percentage of population.

<u>Capital costs</u> will be divided among Benton and Franklin Counties, and the Cities of Richland, Kennewick, and Pasco.

<u>Cost per Capita</u> formula is used to calculate assessment for the contracting Agencies of West Richland, Prosser, and Connell PD. This too is increased by the CPI annually and then multiplied by the population.

*SECOMM 800 MHz share described under 800 MHz Fund.
